

STUDENTS

Student Health

The superintendent shall arrange each year for health services to be provided to all students. Such services shall include but not be limited to:

1. The maintenance of student health records;
2. The development of procedures at each building for the isolation and temporary care of students who become ill during the school day;
3. Consulting services of a qualified health specialist for staff, students, and parents;
4. Vision and hearing screening; and
5. Immunization records and compliance review.
